For Immediate Release

Regarding: Overly Door Company Awarded ISO 9001:2015 Certification

Overly Door Company is pleased to announce that its manufacturing facilities have been awarded ISO 9001:2015 certification. With this certification, all of Overly's manufacturing facilities are certified to meet strict ISO standards.

ISO 9001:2015 is an international standard that provides strict requirements for an organization's Quality Management System. Its objective; to provide a set of requirements that, if effectively implemented and maintained, will provide the customer or end user with the confidence that Overly Door Company can consistently provide goods and services that meet or exceed customer expectations and comply with applicable regulations.

Headquartered in Greensburg, PA since 1888, Overly Door Company is an industry leader in the design, testing and manufacturing of Sound-Retardant, Blast- and Pressure-Resistant, Security, and Radiation-Shielding Door and Window Systems, and GSA Vault Doors. Overly provides specialty door and window systems for commercial and industrial applications, in both private and public sectors.
